## **Job Start Mentoring Project**

Farringdon Jubilee Centre CIC is a VCS organisation, which has been established for 6 years and has successfully developed access to community opportunities and adult learning across Sunderland South (St Chad's, Doxford Park and Silksworth)

We are now beginning our next venture to provide locally based tailor made Job Skills guidance advice through the 'Job Start Mentoring' project.

This is a new project, we require an '**Employment Guidance Worker**' to support the development of this service.

### **Employment Guidance Worker**

**£22,500 (pro rata – term time only – 39 weeks)**

**Initially 12 months**

Responsible for the delivery of the employment guidance project (Job Start Mentoring) across Sunderland South, working with targeted individuals.

To help clients clarify options about their future, by offering information advice and guidance on education, training and work opportunities.

With a focus on hard to reach or marginalised groups including: unemployed or disabled people; people with few educational qualifications.

You will be required to work in multiple venues across Sunderland South, and would be expected to have an adult training qualification or be willing to work towards one.

**Closing Date for Applications is Friday 7th November 2008**

For further information or to receive an application pack contact:
